3 types of lines

3 types de lignes

made/fait Canada

1

CUT

couper

score your fold lines before folding!

cut, fold and assemble

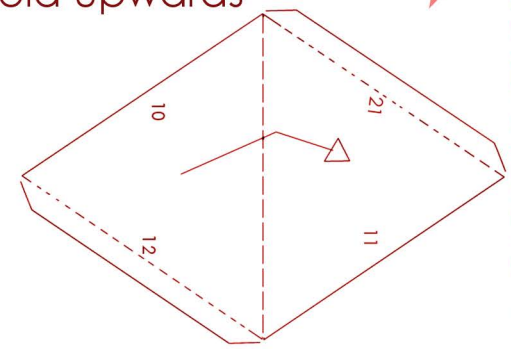
couper, plier et assembler

marquer vos lignes avant de plier!

plier vers le haut

2

fold upwards



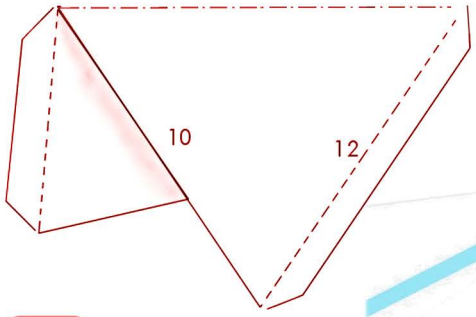
You will need:
Scissors, or craft knife and cutting mat.
White glue or a glue stick or double side tape.
A ruler and something not too shrap to score your lines.

Vous aurez besoin:
- couteau xacto et tapis de coupe ou ciseaux
- colle blanche, bâton de colle ou ruban double face
- règle et objet pointu pour marquer vos lignes de pliage

3

plier vers le bas

fold downwards



Look over the template first to check for important information such as where to start or finish.

Veuilliez regarder les notes sur le patron pour des infos importantes comme par ou commencer et finir.

4

glue tabs to matching numbers on inside

collez languettes vers les numéros correspondant et à l'intérieur
